

## GOLF OUTING JULY 12, 2024

The 8<sup>th</sup> Annual **A For The People Institute Golf Outing** will be held again at the beautiful South Park Golf Course, one of Pittsburgh's greatest secrets for golfers. The golf course has been redesigned and maintained by the Reno groundskeeper from the Oakmont Golf Course. This outing will have 48 invitational spots for golfers from the Tri-State area. We hope that you will be able to join us. For only \$100, you will enjoy lunch and a steak dinner. We look forward to you being with us for a day of fun, comradery, and relaxation.

The Outing is designed to raise scholarship funds for those interested in an insurance career. We offer scholarships and financial assistance to individuals training to become licensed agents, CSRs, and underwriters. We inspire opportunities for the disadvantaged and people with disabilities as a road to make their lives better. Since 2009, we have devoted ourselves to this training. With your support or participation, whichever works best for you, we need your assistance to continue offering this opportunity. Early classes will be held this Spring. The dates will be announced shortly. We hope you have potential students you want to attend.

Please let us know if you plan to participate or be a sponsor of this great event that offers scholarships for worthy students. We appreciate your involvement in our efforts to add prime individuals to the insurance industry.
